Subject: RE: Lab Results and Sampling Locations for Raw Water

Brandi,

Per our phone conversation, attached is the data I mentioned for our Asphalt Plant tap water. I am told by our plant folks that this sample was collected on December 1.

9805256

Please also let us know of your interest in the other two data sets we discussed.

Thanks,
Deepak

Raw water samples were collected at various locations at Valero facilities and two upstream background locations.

Please see the attached results.
